Education

Bachelor of Science, Computer Science
Case Western Reserve University, Cleveland, OH 44106
GPA 3.597
Expected Date of Graduation: May 2013

Experience

Bloomberg LP

Bloomberg Law

May 2011 - August 2011

Most time was devoted to optimizing a machine learning classifier that separates legal orders from legal opinions. Also wrote a vector space model search engine for internal testing use.

Case Western Reserve University

Department of Electrical Engineering and Computer Science

June 2010 - June 2011

Participated in team researching patterns in network scanning activity. Used statistical methods and other tests in order to classify types of scanning.

Broadband Mechanics

PeopleAggregator Social Networking Platform

May 2010 - August 2010

Refactored and extended the open source social networking platform PeopleAggregator, which was designed to allow for organizations and people to create their own social networks.
